

**Navios Maritime Containers Inc. Announces
Closing of \$50.3 Million Private Placement and
Acquisition of Five Container Vessels with Period Charters**

Company registered on the Norwegian OTC Market

MONACO, June 8, 2017 – Navios Maritime Containers Inc. (“Navios Containers”), a growth vehicle dedicated to the container sector, announced today that it has closed the previously announced private placement and the acquisition of five container vessels and rights to the remaining fleet (the “Fleet”) of Rickmers Maritime Trust Pte. (“Rickmers Trust”).

Private Placement

Navios Containers issued approximately 10 million shares for \$50.3 million of gross proceeds at a subscription price of \$5.00 per share. Navios Maritime Partners L.P. (“Navios Partners”) invested \$30.0 million and received about 60% of the equity, and Navios Maritime Holdings Inc. (“Navios Holdings”) invested \$5.0 million and received about 10% of the equity of Navios Containers. Each of Navios Partners and Navios Holdings also received warrants, with a five-year term, for 6.8% and 1.7% of the equity, respectively.

Fearnley Securities acted as the sole lead manager for the private placement and S. Goldman Advisors LLC acted as structuring advisor.

Registration on the Norwegian OTC Market

Navios Containers has registered for trading on the Norwegian Over-The-Counter Market (N-OTC) and expects to begin trading on or about June 12, 2017 under the ticker NMCI.

Rickmers Trust Fleet

Navios Containers used the proceeds from the private placement to acquire five 4,250 TEU vessels from Navios Partners for a total purchase price of \$64.0 million. These vessels, recently acquired by Navios Partners from Rickmers Trust, are employed on charters with a net daily charter rate of \$26,850. The charters expire in 2018 and early 2019 and are expected to generate approximately \$45.0 million of EBITDA, assuming expenses approximating current operating costs and 360 revenue days per year.

The purchase price was partially funded through \$40.0 million in proceeds raised through the private placement and the balance in the form of a \$24.0 million credit by Navios Partners for a period of 90 days at L+375 bps. Navios Containers is in advanced discussions for an up to \$40.0 million loan from a commercial lending bank.

In addition, Navios Containers acquired all the rights under the acquisition agreements entered into between Navios Partners and Rickmers Trust to purchase the remaining nine vessels in the original 14-vessel container Fleet. The acquisition of the nine additional vessels is subject to a number of conditions, and no assurance can be provided that the acquisition will close at all or in part.
